

Welcome to the Joplin HS Choir Department. Your child is a part of an award-winning program with many great performance opportunities for all of the choirs. The Booster Club exists to assist the choir directors and students to maintain the excellence of this program with active volunteer participation in choir events throughout the year.

The Booster Club organizes many fundraisers throughout the school year. For the success of our fundraisers, parent involvement is a must. Our 'Just Desserts' and 'In the Spotlight' Invitational events are a lot of fun for our students, as well as, being a major source for our funding for the season. We need as much parent participation as possible. Monthly meetings are held every first Monday in the Black Box at 6pm.

Please consider joining the Joplin High School Booster Club!

Your membership will include the following:

Social Recognition: Members will be recognized by membership level on the Boosters website and Facebook page.

Booster T-Shirt: Members will receive a JHS Boosters t-shirt that can proudly be worn throughout the season.

Reserved Seating: Members will have special reserved seating for you and your family at all home concerts and performances throughout the 2019-20 school year.

We urge all parents (and all family members) to become a part of this group and help us make this 2019-20 season the best yet!!

Sincerely,

JHS Choirs Booster Club Officers
