Seek out sponsors to sponsor one or more days on the July 2022 calendar. What ever day they sponsor, that is the amount they donate to you to go toward your show choir fees of \$350. If they sponsor July 16, they donate \$16. You only need the first 26 days sponsored in order to pay all of your fees for the 2022-2023 school year. Days 27-31 will go toward our general fund and activities account to help cover other expenses outside our what student fees cover. Just have them sign their name on the day they wish to sponsor and collect their money. Good luck!
